

# SCHOOL REFERRAL FOR MENTAL HEALTH SERVICES FOR 0-12 YEARS OLD

A referral to **Summit Health** ATAPS Child Mental Health Service is appropriate. Complete a 'School Support/Summit Health Referral' form and send it to Summit Health. Fax: 8406 7760 (GP referral required but can be facilitated by Summit Health ATAPS Child Mental Health worker after initial session)

Typical Referral Issues Might Include:

- Mild Depression / Anxiety
- Bullying
- Sleep disturbance
- Reaction to severe stress
- Difficulty adjusting to a life change
- Parental separation / divorce
- Oppositional behaviours
- Anger management
- Grief

For more info visit : <http://www.summithealth.org.au/wp-content/uploads/2013/03/Summit-MH-Childrens-Brochure.pdf>

Call **CAMHS** on Ph: 8391 3922 for a pre-referral conversation. If referral is deemed appropriate, a 'School Support/Summit Health Referral' form will need to be completed and sent to CAMHS on Fax : 8391 3304

Typical Referral Issues Might Include:

- Moderate-severe Anxiety / Depression
- Deliberate self harm
- Suicidal ideation
- Eating disordered behaviour
- Past trauma / abuse issues
- Adolescent family violence
