

POSITION DESCRIPTION
Senior Mental Health Clinician
Mount Barker Medicare Mental Health Centre

RESPONSIBLE TO: Chief Executive Officer (CEO)

REPORTING TO: Medicare Mental Health Clinical Team Leader

SUMMARY OF THE BROAD PURPOSE OF THE POSITION AND ITS RESPONSIBILITIES/DUTIES

The **Senior Mental Health Clinician** is responsible for shift coordination and leads clinical decision making to ensure the provision of high quality clinical and support services for visitors to the Mount Barker Medicare Mental Health Centre (MBMMHC) Working collaboratively, the position will ensure appropriate strengths-based support, clinical interventions and care coordination for visitors to the Centre.

Medicare Mental Health Centres are designed to provide a welcoming, low stigma, soft entry point to engagement, assessment and treatment for people who may be experiencing distress or crisis. They assist people aged 16 and over to have access to on-the-spot care, advice and support provided by a multi-disciplinary team of mental health professionals including people with lived experience – without needing a prior appointment. They offer an episode of care model, delivering evidence-based care and family support to cover the short to medium term, based on clinical judgement and individual need, including interventions to support those with associated alcohol and other drug (AOD) misuse.

Key areas of focus will include:

- Screening and assessment of referrals, including referrals from emergency services and leading clinical decision making in line with the Mount Barker Care Centre model of care, and other policies and procedures.
- Support the CONNECTcare Manager and Clinical Team Leader in service design, review and reporting of responsive and brief focused psychological services.
- Ensure an effective service response through education and motivation of staff and fostering a culture of respectful collaborative in a multi-disciplinary environment.

REPORTING / WORKING RELATIONSHIPS

- Accountable to the Chief Executive Officer for achieving the expected outcomes of the position and practicing within the philosophy of Summit Health and its aims, policies and protocols.
- Reports to the Medicare Mental Health Clinical Team Leader.
- The Senior Mental Health Clinician role sits within the Medicare Mental Health Centre team, within the CONNECTCare Unit.
- Participates in the organisation's Performance Management Program which is conducted on a regular basis.
- Works as part of a multidisciplinary team including mental health clinicians, medical and nursing staff and peer practitioners.

CULTURE AND EXPECTATIONS

All employees are expected to contribute positively to the organisation by displaying the values and expectations contained within our Cultural Framework (Appendix A at the end of this document).

VALUES - TO DO NO HARM – COLLABORATE - TO CONTINUOUSLY IMPROVE

Summit Health is a learning organisation that continually evolves and adapts to opportunities. We operate in a high-trust environment. To support this, all employees must promote and adhere to our values and expectations.

SPECIAL CONDITIONS

- The Mount Barker Care Centre is open every day of the year for at least 8 hours per day and the ability to work day, evening, weekend and public holiday shifts is required and will be remunerated in accordance with the Enterprise Agreement.
- Employment is subject to a satisfactory Working with Children Check and may be subject to other satisfactory criminal history assessments from time to time.
- Possession of a current valid driver's license is essential.
