

POSITION DESCRIPTION

Mental Health Clinician

RESPONSIBLE TO: Chief Executive Officer

REPORTING TO: CONNECTcare Clinical Lead

SUMMARY OF THE BROAD PURPOSE OF THE POSITION AND ITS RESPONSIBILITIES / DUTIES

- The Mental Health Clinician (MHC) delivers focused psychological interventions to clients presenting with a range of mental health disorders in the primary care setting.
- The MHC will provide a clinical service in collaboration with General Practice and other mental health providers, to enhance health and mental health outcomes of people with mental health disorders living in the community.
- In addition, the clinician will provide services and support to General Practitioners (GPs) to enhance the mental health outcomes for a variety of population groups.
- The MHC may work across a variety of Summit Health mental health programs including Mental Health Shared Care and Psychological Therapy Programs. Clients across these programs will range in degree of need from mild to moderate mental health issues requiring short term focused intervention to presenting with severe, high complexity disorders including (but not limited to) schizophrenia and other psychotic disorders, severe depression and anxiety and personality disorders. The client age group may include children, adolescents and adults depending upon clinical experience.
- The MHC may also provide support and assistance to the CONNECTcare Manager, CONNECTcare Clinical Lead and CONNECTcare Administration Lead, in service design, development, review and reporting.

REPORTING / WORKING RELATIONSHIPS

- Accountable to the Chief Executive Officer for achieving the expected outcomes of the position and practising within the philosophy of Summit Health and its aims, policies and protocols.
- Reports to the CONNECTcare Clinical Lead.
- Works closely with the CONNECTcare Administration Lead and administration staff.
- Liaises with General Practice, other Mental Health Services and relevant sector agencies.
- Participates in Summit Health's Performance Management Program which is conducted annually.

CULTURE AND EXPECTATIONS

All employees are expected to contribute positively to the organisation by displaying the values and expectations contained within our Cultural Framework (Appendix A at the end of this document).

VALUES - TO DO NO HARM – COLLABORATE - TO CONTINUOUSLY IMPROVE

Summit Health is a learning organisation that continually evolves and adapts to opportunities. We operate in a high-trust environment. To support this, all employees must promote and adhere to our values and expectations.

SPECIAL CONDITIONS

- Some reasonable additional hours, including out of hours work may be required from time-to-time and will be remunerated in accordance with the Enterprise Agreement.
- The Mental Health Clinician will be working from Summit Health sites in the Adelaide Hills, Fleurieu Peninsula and Kangaroo Island as specified in the Employment Contract.
- A current driver's license is essential.
- Use of own motor vehicle is expected, for which a cents-per-kilometre allowance will be paid.
- Employment is subject to maintaining a satisfactory Working with Children Check, relevant professional registrations and any mandatory vaccinations as determined by legislation.

STATEMENT OF KEY RESPONSIBILITIES / DUTIES

- Provide clinical services across the mental health spectrum and stepped care model.
- Provide evidence based treatments including but are not limited to Psycho Education, CBT, Low Intensity CBT, ACT, Interpersonal Therapy, DBT, Schema Therapy, Psychological First Aid, Trauma Recovery Treatments, Motivational Interviewing, and Solution Focussed Therapy.
- May provide clinical services for clients across the child, youth to adult age range depending on service need and clinician experience.
- Complete all case notes, psych-outcome measures, occasions of service and data collection as required by Summit Health.
- Work closely with general practices with the intention to support GPs and practice nurses in the delivery of mental health care.
- Provide assessments, intervention and reviews for primary care practitioners as well as providing consultation and advice on ongoing management.
- Support a multi-disciplinary approach, providing support to other clinicians through peer and/or clinical supervision.
- Support the CONNECTcare Manager, CONNECTcare Clinical Lead and CONNECTcare Administration Lead in the management of designated mental health programs.
- Utilise and contribute to the design and development of clinical models, documentation, management tools and software including Redicase.
- Contribute to the strengthening of existing partnerships and assist in the building of new partnerships and clinical networks between other health providers in the region, including (but not limited to), Country Health SA Mental Health and Adelaide Hills Community Health Services, Child & Adolescent Mental Health Service, Headspace, other not for profit agencies, and private practitioners.

General

- Work within the principles and policies of Summit Health.
- Support the values and culture of Summit Health.
- Understand the role and mission of Summit Health and present this to our clients effectively as an ambassador for Summit Health.
- Operate within the delegated boundaries of the position.
- Attend and actively participate at staff/team meetings.
- Participation in and identification of staff training opportunities.
- Identify opportunities and participate in own professional development.
- Will be involved in regular Clinical Supervision.

OHS&W

- The employee has a responsibility, under the OHS&W Act (SA 1986), to ensure their own health and safety, and that of their fellow employees, at work.
- The employee has a responsibility to abide by Summit Health's OHS&W policies.
